Prayer Shawls Available in Senior Ministries

Do you know someone who would appreciate a hand-knit or hand-crocheted prayer shawl? The crafters who made them prayed for the recipient while they were making these shawls.

Would you like to have one, or gift one to a person who would be warmed in body and soul by the shawl and the prayer?

What's Your Resolution?

Did you hear about the dog who went to the movies? A fellow movie goer, who sat nearby, was surprised! At times, when happy, the canine wagged his tail; when sad, he drooped his head and even put his paws over his eyes when he was afraid. The man finally whispered, "Wow! I'm amazed at how much your dog enjoys this movie!" The owner replied, "I am too, because he hated the book!"

Whenever we visit our daughter's home in New Mexico, we have movie nights on the king bed! Our grands, and sometimes the dogs, join us for these

family-friendly features. It is always amusing to see their intelligent Golden Doodle, Sophie, watching the shows along with us!

Do you make New Year resolutions? I just completed reading the Bible through in 2025. Over the years, I have used several different approaches, but the reading plan most satisfying is the chronological reading of the Bible. I like it because it flows just like reading a historic novel.

I encourage you to make this prayerful request, "Teach me your decrees, O Lord; I will keep them to the end. Give me understanding and I will obey your instructions; I will put them into practice with all my heart" (Psalm 119:33-34, NLT).

"He hated the book?!" That cute dog story should never be told of us! Here's what I predict: when you get into God's Word, you will fall in love with it and in love with the One who inspired it! Let's resolve to read the Bible every day in the New Year!
